ABOUT OILERS ENTERTAINMENT GROUP

Oilers Entertainment Group (OEG) delivers leading sports, entertainment and other special event programming to fans and patrons in Canada and the United States. OEG owns the five-time Stanley Cup Champion Edmonton Oilers, the WHL's Edmonton Oil Kings, the AHL's Bakersfield Condors, and operates Rogers Place, the new home of the Oilers and Oil Kings in downtown Edmonton. OEG also owns one of Canada's most accomplished television, event and brand-promotion companies as well as Silver Pictures Entertainment.

ABOUT ROGERS PLACE

The vision of Rogers Place was born when Daryl Katz purchased the Oilers in 2008. At the time he stated a desire to not only find the Oilers a new home in downtown Edmonton, but to do it in a style that would transform our City and encourage further downtown development. Through his partnership with the City of Edmonton, that vision has already been realized, and now continues to expand as Rogers Place has become the anchor of ICE District, a mixed-use sports and entertainment development that is helping to revitalize and invigorate life in Edmonton's downtown core.

Rogers Place itself is an 819,200 square foot, five-concourse facility. The project also includes the Edmonton Downtown Community Arena; the 34,000 square-foot Ford Hall; and connective infrastructure to the LRT system bringing the total project size to 1,110,900 square feet.

Rogers Place and ICE District meld an iconic architectural design, an unprecedented level of new development in the heart of downtown and an unparalleled level of entertainment capacity.

DARYL A. KATZ

OWNER AND GOVERNOR

Born and raised in Edmonton, Daryl Katz grew up a passionate Oilers fan. He has a deep connection with the team's rich history and is focused on creating the foundation for a winning tradition and bringing the Stanley Cup back to the City of Champions.

Daryl began building what is now Oilers Entertainment Group (OEG) in 2008. Today, with more than 1,600 full and part time staff, OEG houses Katz Group's growing sports and entertainment businesses and operates Rogers Place, one of the leading sports and entertainment venues in North America. Rogers Place was designed and built in a landmark collaboration between Katz Group and the City of Edmonton.

Away from the ice, Daryl has committed significant time, energy and capital to make his vision for a revitalized downtown Edmonton a reality. ICE District is an ambitious multi-billion dollar project that is transforming the heart of our downtown into a vibrant, walkable and sustainable sports and entertainment district, with a host of new commercial, residential and public amenities. With Rogers Place now open, and the surrounding ICE District development well underway, we're seeing an exciting rebirth of Edmonton's urban core.

Daryl was born and raised in Edmonton, and graduated from the University of Alberta's Faculty of Law in 1985. Daryl and his wife Renee are proud parents of Harrison and Chloe, co-founders of the Hockey Helps Kids charitable initiative. He also serves on the National Hockey League Board of Governors.

BOB NICHOLSON

CEO & VICE-CHAIRMAN, OEG

On June 13, 2014, the Katz Group announced the hiring of Bob Nicholson as Vice-Chairman of Oilers Entertainment Group (OEG), a sports and entertainment company that manages the Katz Group's growing family of sports and entertainment assets, including the operation of Rogers Place, the new home of the Edmonton Oilers.

On April 24, 2016, Bob was appointed as Chief Executive Officer of OEG. In his role as CEO and Vice Chairman, Bob brings his exceptional skills as a motivator, team builder and leader to OEG, working closely with Chairman and owner Daryl Katz, overseeing all aspects of operations including expansion of the group's sports and entertainment offerings, delivering outstanding fan experiences, securing major new sponsorships and events, and operating Rogers Place, North America's leading sports and entertainment venue.

In addition, Mr. Nicholson oversees the Edmonton Oilers Hockey Club hockey operations, working closely with Peter Chiarelli, Oilers President of Hockey Operations and General Manager. He also serves as an Alternate Governor for the Edmonton Oilers on the NHL Board of Governors.

Bob Nicholson joined the Oilers after a long and successful tenure with Hockey Canada, serving as the President and CEO from 1988 to 2014, where he oversaw all operations for competitions Canada participated in internationally, including the IIHF World Hockey Championships and Olympic Winter Games, and has overseen Canada winning 72 medals in international competition since 1990, 44 of which were gold, including seven Olympic gold medals.

Nicholson also served as the Senior Vice President of the Canadian Hockey Association from 1992 to 1998 and Vice President of programs with the Canadian Amateur Hockey Association from 1990 to 1991. He has been heavily involved with international hockey, serving on the International Ice Hockey Federation's Player Safety Committee and currently holds the position of Vice President of the International Ice Hockey Federation which he was re-elected to in May 2016.

Before joining the national body, Nicholson was Technical Director with the British Columbia Amateur Hockey Association from 1979 to 1989. He was inducted into the B.C. Hockey Hall of Fame in 2004. He played minor hockey and Junior A hockey in Penticton, helping the Penticton Broncos win the BCJHL and B.C.-Alberta championships, and also played NCAA hockey at Providence College in Rhode Island. Bob was awarded the Order of Hockey in Canada in 2016 for his outstanding contribution to the game of hockey in Canada.

WAYNE GRETZKY

KEVIN LOWE

VICE CHAIR, OEG/ ALTERNATE GOVERNOR

Kevin Lowe, 59, has just completed his fourth season as Vice Chair and Alternate Governor of Oilers Entertainment Group (OEG). Previously, Lowe served as the Oilers President of Hockey Operations for seven seasons and prior to that he spent eight seasons as the Oilers General Manager.

Lowe has been instrumental in the renewed success of the team, both on and off the ice. In his role he continues to work towards and promote the growth and development of Oilers Entertainment Group in its many new business initiatives, as well as continue to work closely with OEG Chief Executive Officer Bob Nicholson, on the growth of Oilers Entertainment Group.

A new era in Oilers' history was ushered in when Lowe was named to the position of General Manager on June 9, 2000. With the announcement, the first-ever draft pick in Oilers' history replaced Glen Sather, who held the position since June of 1979. Lowe's appointment came a year after he was named Head Coach of the Oilers on June 18, 1999. Over those years the team's payroll was annually near the bottom of the league however the team was a league leader in dollars spent for points earned in standings including many playoff appearances. As GM, he became one of only 40 general managers in the history of the NHL to get his team to the Stanley Cup finals in 2006, losing in game seven to the Carolina Hurricanes.

It took the popular Lowe only three seasons from his retirement from the game as a player to make his way to the position of General Manager. After a brilliant playing career in the National Hockey League with the Edmonton Oilers and New York Rangers, Lowe announced his retirement from the game on July 30, 1998 and joined the coaching ranks as he served as an assistant coach with Ron Low's Edmonton staff in 1998-99.

The 1999-00 season saw Lowe become the seventh head coach in Oilers history. In his lone season behind the Edmonton bench, Lowe guided the Oilers to a second place finish in the Northwest Division with a 32-26-16-8 record, only eight points behind the first place Colorado Avalanche, and a berth in the Stanley Cup Playoffs.

Lowe's expertise has also translated into success for Team Canada on the international stage. On November 8, 2000, Lowe was named as Assistant Executive Director of Canada Olympic Hockey for the 2002 Winter Olympic Games in Salt Lake City, Utah. Working with former teammate Wayne Gretzky, Team Canada's Executive Director, head coach Pat Quinn and Director of Player Personnel, Steve Tambellini, Lowe helped put together a team of NHL players that won the Olympic gold medal for Canada for the first time in 50 years. A 5-2 victory over the United States in the gold medal final on February 24, 2002 saw Team Canada become the first Canadian squad to win Olympic gold since the Edmonton Waterloo Mercurys won at Oslo, Norway in 1952. He reprised that role with Team Canada at the 2006 Winter Olympics in Turin, Italy and was a member of Team Canada's management team that put together the gold medal winning roster at the 2004 World Cup of Hockey. Lowe, along with Doug Armstrong and Ken Holland, assisted General Manager Steve Yzerman to help guide Canada's Olympic Team to another historic gold medal victory in the 2010 Vancouver Olympics. Lowe once again represented his country as a part of Team Canada's management team at the 2014 Sochi Winter Olympics, where Canada won gold again..

Lowe was the Oilers' first-ever draft pick when he was selected 21st overall in the 1979 NHL Amateur Draft on August 9, 1979. During 19 seasons in the NHL, including 15 as an Oiler, Lowe played in 1,254 regular season games and 214 playoff games, winning six Stanley Cup championships. The first five Cup championships came with Edmonton as he was a member of each of the Oilers' titles in 1984, 1985, 1987, 1988 and 1990 and was followed by a sixth with the New York Rangers in 1994. In his 15 seasons with Edmonton, the Oilers never failed to qualify for the Stanley Cup Playoffs with Lowe in the lineup. In fact, Lowe only missed post-season play once in his 19-year career as New York missed the 1992-93 playoffs during his first season in Manhattan.

Besides being the first draft choice in Oilers' history, Lowe also scored the first goal in team history as he beat Tony Esposito at 9:49 of the first period in Edmonton's first NHL game on October 10, 1979 at Chicago Stadium. The goal launched a career that saw him play for 19 seasons without spending a day in the minors. That goal was also assisted by Wayne Gretzky, marking the "Great One's" first ever point in the NHL.

Lowe holds the Oilers' record for most games played in both the regular season (1,037) and playoffs (172) and is one of only 45 players in NHL history to have played in 1,000 games with one franchise. He also ranks among Edmonton's all-time leaders as he is eighth in assists (309), 11th in points (383) and third in penalty minutes (1,236).

He became the sixth captain in Oilers' history in 1990-91, fulfilling the promise of his junior career that saw him named the first Anglo-Canadian captain of the Quebec Remparts.

On the international stage he represented Canada at the 1982 World Championships and was a member of Team Canada that won the 1984 Canada Cup. He also played in seven NHL All-Star Games (1984-86, 1988-90, 1993).

Off the ice, he was no less a leader. In 1990, Lowe became the only player to win the King Clancy Memorial Trophy and the Budweiser/NHL Man of the Year Award in the same season. Both awards are presented for leadership qualities and humanitarian contributions. He was also the Oilers' nominee for the Bill Masterton Memorial Trophy that season. His work with the Edmonton Christmas Bureau has set the standard for the Oilers' commitment to community involvement. He was the Honorary Chair from 1982-83 to 1991-92 and Honorary Co-Chair from 2005 to present.

Lowe, has a son, Shane, and he and his wife Karen, a two-time Olympic alpine skiing bronze medal winner for Canada at the 1988 Winter Olympics in Calgary, have three daughters - Devyn, Darby and Karly - and a son, Keegan, who was drafted by the Carolina Hurricanes in the 3rd round, 73rd overall, at the 2011 NHL Entry Draft. Both Kevin and Karen are Honorary Spokespeople for the Zebra Society. Kevin and Karen are supporters of SwimDrinkFish Canada, the Waterkeeper Alliance and Zebra Society.

IN MEMORIAM
ONCE AN OILER, ALWAYS AN OILER

BRIAN ROSS (1964 – 2018)

Brian 'Rosco' Ross joined the Oilers in 1985, helping open the team's first retail stores. Several years later, he moved into the Hockey Operations Department and held various positions with the team – including stepping between the pipes during the occasional practice.

Brian held the role of video coach during the magical 2006 Stanley Cup run and most recently spent his time in the Player Development Department – an employee of the organization for 35 years in total.

Brian passed away on April 30, 2018 at the age of 54, after a two-year battle with cancer. He is survived by his wife Krystal and stepchildren Ethan and Emma.

VACLAV BURDA (1973 – 2018)

Vaclav Burda joined the Oilers in 2016-17, after 13 seasons with the Ottawa Senators, serving as director of European scouting for two seasons.

A native of Prague, Czech Republic, he had a 12-year professional playing career, mostly with Sparta Praha in the Czech Elite League. He won bronze medals with the Czech Republic at the 1998 World Hockey Championship and the 1993 World Junior Hockey Championship.

Vaclav passed away suddenly on Monday, July 16 at the age of 45. He is survived by his wife Karin, daughter Anika and son Adam.

FRANK JAY (1950 – 2018)

Frank Jay worked in a scouting capacity at the NHL level for 35 years, including two seasons with the Oilers, from 2016 through 2018.

Frank worked previously with Montreal, Ottawa, Quebec and New Jersey. Prior to and between NHL duties, he worked with the OHL's Oshawa Generals for 13 years, and was general manager in 1989-90, when the Generals won the OHL Championship and the Memorial Cup. Frank also served as director of scouting for the OHL's Erie Otters from 1996-99. He was inducted into the Oshawa Sports Hall of Fame in 2008.

Frank passed away suddenly on August 14, 2018, at the age of 67. He is survived by his wife Lynn, daughters Jackie and Amanda, and son Brandon, a scout with the Oilers.

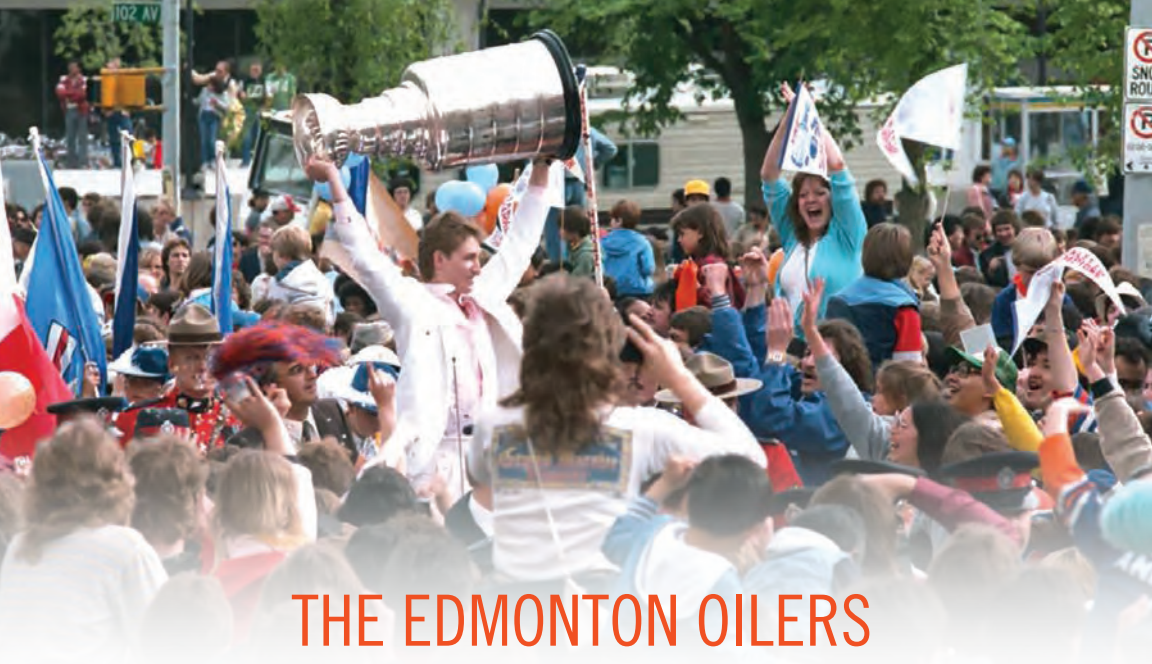
EDMONTON OILERS RECORDS



THE EDMONTON OILERS

BRINGING PROFESSIONAL HOCKEY TO NORTHERN ALBERTA SINCE 1972

The Alberta Oilers joined the World Hockey Association (WHA) in 1972, playing out of the Edmonton Gardens with team captain Al Hamilton. The team name changed to the Edmonton Oilers the following season. The name 'Oilers' was a popular nickname for the Oil Kings, a junior hockey team in the Western Hockey League (WHL), which were previously owned by the Oilers original owner, Bill Hunter. Hunter made the nickname the official name of his professional team.

The Oilers joined the National Hockey League (NHL) for the 1979-80 season, with a young Wayne Gretzky beginning his historic career. Five seasons later, the team captured their first of five Stanley Cups and provided fans with some of the most exciting hockey ever played.

The Oilers returned to the Stanley Cup finals in 2006, falling to the Carolina Hurricanes in seven games. The team won the NHL draft lottery in 2015, selecting forward Connor McDavid first overall.

In 2016-17, the Oilers reached Game 7 of Round 2 of the Stanley Cup playoffs, the team's inaugural season playing in Rogers Place.

- Rank in penalty minutes is based on most to fewest PIM. For example, in 1979-80 the Oilers were the 3rd most penalized team in the NHL.
- Rank in shorthanded goals (SHG) is based on most SHG for and on fewest SHG against. For example, in 1979-80 the Oilers had the second most shorthanded goals for and the fourth fewest shorthanded goals against.

MOLSON CUP

One constant during the Oilers tenure in the NHL has been the Molson Cup. The Molson Cup has played an important role in the history of the Edmonton Oilers over the years since the team joined the NHL in 1979-80. It has been a part of some of the most outstanding achievements in NHL history, including five Stanley Cup championships and the Heritage Classic.

One of the most successful programs ever launched in connection with the National Hockey League, the Molson Cup has become synonymous with excellence, as it is awarded to the player who accumulates the most votes in the three-star voting process over the course of the NHL regular season schedule.

Six times throughout the NHL season, a member of the Edmonton Oilers is selected as the Molson Cup Player of the Month. The Molson Cup is based on the selection of the top three performers of each game as nominated by the Edmonton sports media. Players earn five points each time they are selected one of the game's three stars and the player accumulating the most points at the conclusion of the regular season has his name engraved on the beautiful Molson Cup.

Molson Canadian is a proud sponsor of the Edmonton Oilers.

ACCREDITATION

All media and photographers' passes issued by the Edmonton Oilers are valid only for the date(s) noted and are non-transferable. Passes may not be used to gain access to Rogers Place or practice facilities for the purpose of obtaining autographs or memorabilia from members of the Edmonton Oilers Hockey Club. The Edmonton Oilers reserve the right to revoke passes at any time. ALL PASSES MUST BE VISIBLE AT ALL TIMES.

The Press Box at Rogers Place is divided into two working areas. On the lower level, you will find the general media area for all newspaper reporters and electronic journalists not involved in play-by-play. Most seats are specifically allocated with appropriate signage, but if there is any confusion, please direct any queries to the Edmonton Oilers communications staff. The upper level of the Press Box is divided into ten separate booths, in which you will find on-air radio and television broadcasts, home and visiting team officials and NHL off-ice officials.

To gain access to the Press Box, there is one stairway entrance and one elevator which is located adjacent to the media workroom and will lead you to the west side of the Press Box, however, it should be pointed out that unless you have an Edmonton Oilers press pass, you will not be able to enter the main working areas. Single game passes may be obtained by contacting the Edmonton Oilers communications staff at least 48 hours prior to the game.

All media should enter Rogers Place through the 104th Avenue street level entrance, and proceed through the security checkpoint location next to the Rogers Place Information Desk.

PHOTOGRAPHERS

Photography passes are issued by Andy Devlin, Edmonton Oilers Team Photographer (lamedia@telus.net) and those accredited as photo journalists are asked to report to the media workroom at least one hour before the game for individual seat allocation. Andy Devlin will have the final say in terms of seat allocation.

COMMUNICATIONS

Wireless internet access is available in both the Press Box and media workroom.

MEDIA SERVICES

The media lounge will be open an hour and a half before each game. Game notes, programs and lineups will be available in the lounge. Food and beverages are offered in the Press Box during the game.

Closed circuit television monitors are located for your convenience throughout the Press Box.

Game statistics will be distributed after each period in the Press Box, while final game sheets will be distributed in the Edmonton Oilers dressing room and the media workroom 15 minutes after the game.

EDMONTON OILERS MEDIA GUIDELINES 2018-19

With the growing number of media and the expanding need to include video, audio and still photos on the Internet, the Edmonton Oilers have revised their media guidelines to align themselves with the NHL's internet guidelines, as well as those from other clubs – specifically Canadian franchises.

GENERAL GUIDELINES:

- Cell phones, or personal digital assistants (PDAs) with cell phone capabilities, cannot be used for any purpose in the Oilers dressing and workout rooms at any time.
- Photographers will only be granted access to the dressing room post-game or post-practice for specific still image opportunities upon advance specific request from the sports editor (e.g. milestones, new goaltender mask (with player's permission), or player's first goal etc.).
- Stock and general still and video images are not permitted to be shot in the dressing and workout rooms, e.g., photographers/cameramen will not be allowed to stand at the entrance and pan the room, take stock and general images of players/room, or of players undressing out of their equipment.
- Reporters and photographers using a still camera or mini-cam for video purposes must inform the player or coach and inform the Oilers communications staff beforehand.
- All video must adhere to the NHL's broadcast policies. Material may only be used for editorial purposes.
- The Oilers do not allow photographers in their dressing room while on the road.

Guidelines for use of Oilers video- and audio-related content* on Internet platforms:

- No game action (video or audio) may be captured by any means or method.
- Video and audio content recorded at pre- or post-game news conferences, or media availabilities involving the team's coach, players and club executives may not be streamed live without prior written permission from the Oilers.
- Reasonable amounts of audio or video content gathered pursuant to the credential may be posted on the Internet. Content, up to 120 seconds per day, can be posted and archived for up to 72 hours.
- The website page that features audio/video must provide links to NHL.com and the Oilers website using the following wording: "Find out more on www.NHL.com and www.edmontonoilers.com". As well, edmontonoilers.com is permitted to link to such posted material.
- Video and audio content cannot be marketed or sold on a subscription basis.
- Video and audio content may be used only in editorial.
- Video and audio content must adhere to the NHL's broadcast policies.
- There is to be no sponsorship or advertising around the content. Footage may appear with banners and contextual ads, but the ads may not be specifically related to Oilers content.
- There are no limitations on "talking head" video or audio of reporters at Oilers facilities that do not include team/interview/press conference content.

* Oilers video- and audio-related content is defined as, but not limited to interviews, news conferences, practices and community-related events. Games fall under the NHL's broadcast policies.

* Content does not extend to the use of editorial text on the Internet or text alerts sent to PDAs or cell phones.

The Edmonton Oilers reserve the right to enforce and amend these guidelines at any time and to restrict and/or deny access, as necessary to ensure fair application and that all interests are preserved.

NHL HOW TO FIGURE

**** NOTE: No individual skater/goaltender statistics apply for the shootout**

Assist An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage Divide the number of goals scored by the number of shots taken.

Shorthand Goal A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
